

Artists and Crafters at the Library

Michele Ellis – Circulation Library Assistant and Artist

Michele is our newest “library lady” and is a painter. She has created what she calls “creative acrylic pours on canvas”. Many of her works are reminiscent of flowers, water and sky scapes. Michele is featuring her work here at the library and they are for sale.

Julie Damiano – Dedicated Library Patron and Crafter

Julie is one of our die-hard library patrons and always makes bookmarks and journals as a “thank you” to us. She has decided to help raise money for the library by donating her handmade vintage bookmark and journal creations for sale for anyone to purchase. Many of her works are reminiscent of flowers and nature, lace, old books and vintage photos. All donations go to the library.
